

Special Workshop Outline (Thursday, 4th February)

Presentation Title		Getting Published - First steps, and the pitfalls to avoid. An Editor's Perspective	
Presenter introduction	Name	Prof. Perry Hobson	
	Title, affiliation	Professor, Bond University, Australia	
Brief description of presented content		In this workshop Prof. Hobson will discuss the challenges facing young students and early career researchers during their first submissions of research articles for publication in international journals. Prof. Hobson will also provide invaluable advice to avoid common mistakes and rejection of paper submissions based on his long experience as emeritus editor of Journal of Vacation Marketing, and reviewer in several international journals.
