

# LISTENING

# TO

# Poetry

This workshop invites students to reflect on the act of **listening**, using poems from Yuuka's master's journey as an example. We will discuss why listening to our own voices and sounds is important, and how creative methodology can help us listen to each other.

**6 February 2026**

FROM 13:00 PM –

**@Multi-use space  
in front of T-101**

With **Yuuka Hanai**

Master's student at  
the Faculty of Tourism
